covid safety

It is our priority at Fantom Events for all our attendees, crew and guests to remain as safe as possible during the event. Even though many of the government guidelines are no longer in place there are a few rules which we kindly request you follow.

- When meeting a guest or talking with crew we request that you wear a face mask, unless you are exempt.
- Please do not have any physical contact with the guests (i.e. no handshaking or hugging).
- No posed photograph at the signing desks. Signing desks will be arranged in a horizontal manner so that it creates a natural 2m barrier.
- Please use the hand sanitiser placed around the hotel.

filming and recording

We regret that we cannot allow video or audio recording within the interview/workshop areas of the convention, including the main hall. You may take photographs at the very beginning and end of panels. There is no posed photography at the signing sessions, however you are welcome to photograph the guest signing items. Please do not ask guests to record video messages.

Fantom will be recording elements of the event for social media and use in future advertising. If you do not wish to appear in any material please inform our social media team.

thank you

Putting on a show like this would not be possible without our valued crew: Jason Clifford, Derek Kettleby, Janet Adkins, Andy Futter, Dan Howes, John Godbold, Paul Phipps-Williams, Cathy Ross, Martin Spellacey, Gary Hopkins, Ben Jolly, James Grizzell-Jones, Simeon Carter, Helen Randle, Lee Allum, Adam Waller and James Winstanley-Wilder.

charity

This year's charity raffle is in aid of Forest Dogs Rescue, who provide much needed care and a safe haven to unwanted, abandoned and mistreated dogs.

We would like to thank Matthew Doe from The Movie Reliquary for donating prizes for the raffle.

heatwave

It won't have escaped anyone's notice that we are expected to experience the hottest day this weekend since records began! The venue is fully airconditioned, and there are water stations around the venue to keep you well hydrated.

All photo studios will be indoors.

safety and inclusivity

At Fantom we are pleased that the events we provide are a safe space for all those who attend, whether they are attendees, crew or guests. The great thing about a show like Doctor Who is that we can come together through a mutual love, regardless of race, sexuality, gender, disability and have a common platform through which to communicate and enjoy each other's company. We present very relaxed and enjoyable events where everyone's safety physically and/or mentally is paramount. The crew are friendly and approachable (and a mixture of genders and ages); and should anyone be feeling uncomfortable or have an issue to raise then there is no barrier in coming to talk to us and the appropriate action will be taken.

code of conduct

This Code of Conduct has been written to set clear expectations of attendee behaviour at our events.

- We do not tolerate unacceptable behaviour towards delegates, exhibitors, contractors or staff in any form.
- Unacceptable behaviour includes, but is not limited to, intimidating, harassing, abusive, aggressive, discriminatory, derogatory or demeaning conduct by any participant at our events in person or online.
- Harassment includes offensive comments or statements related to gender, age, sexual orientation, race, religion or disability; the display or dissemination of sexual images; deliberate intimidation; stalking or following; harassing photography or recording; sustained disruption of talks or other events; inappropriate physical contact; and unwelcome sexual attention.
- Be kind to others, respect each other and look out for each other.
- Do not film or photograph delegates without their explicit approval.
- Respect other people's property.
- Respect the venue rules and regulations.

Reporting an incident

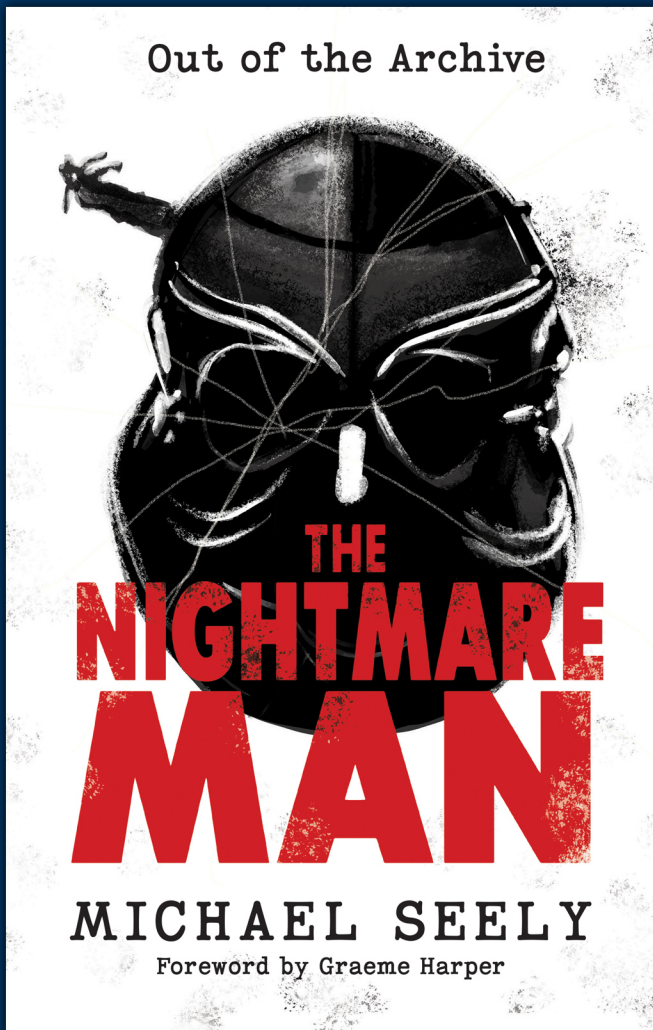

Fantom will investigate all incidents reported at an event with discretion and confidentiality. Where appropriate Fantom will inform third parties such as the venue management and / or official bodies such as the police if it is deemed appropriate. Fantom reserves the right to bar any person who violates our Code of Conduct from attending the Fantom events in its entirety or in part, and any future Fantom events.

If you would like to report an incident inform a crew member.

If you would like further information, it can be found on our website.

Book Signings This Weekend!

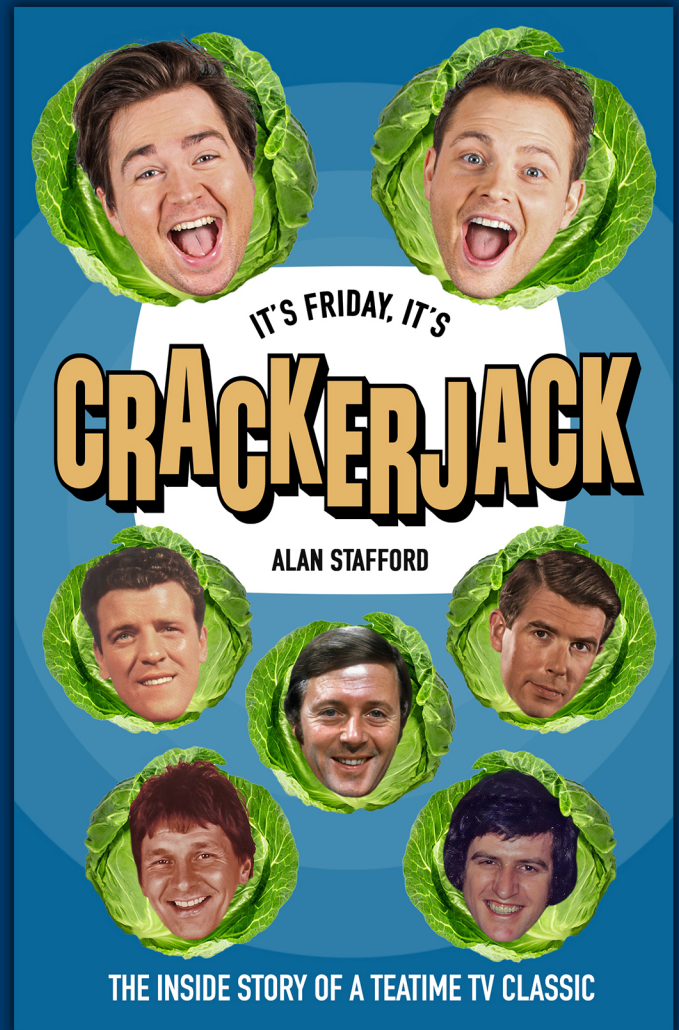

An isolated fog bound Scottish island called Inverdee is plagued by a mysterious, maybe even supernatural, killer...

The Nightmare Man was a one-off serial first broadcast by the BBC during May 1981, and entranced and terrified television audiences. Skilfully directed by Douglas Camfield and superbly adapted by Robert Holmes from David Wiltshire's terrifying book **Child of Vodyanoi**, it starred James Warwick and Celia Imrie, and remains indelibly ingrained on viewers minds to this day.

This book meticulously covers the story of **The Nightmare Man** scene by scene, and the production process which went into creating it, with contributions not only from the cast and crew, but also the inhabitants of Port Isaac, the beautiful and eerie North Cornish village which was used as the filming location. Out of the Archive is a series of books from Fantom Publishing exploring the greatest of British Television.

Paperback / £10

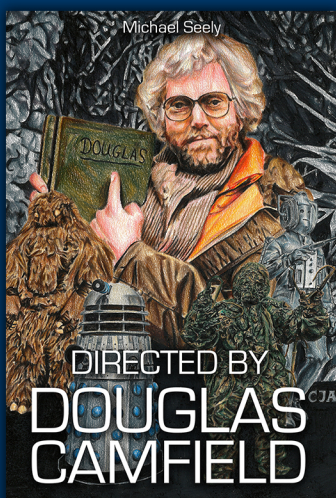

Crackerjack (the TV show with the built-in echo) gave us two enduring icons of Children's Television ... one long and thin, one round and plump. No, not Leslie Crowther and Peter Glaze! The

Crackerjack pencil and the Double or Drop cabbage.

If you were a child in the late '50s, the '60s, the '70s or early '80s you'll have your own memory of TV's longest-running teatime variety show. Then suddenly, in 2020, it was back. With Sam & Mark, jumbo-sized **Crackerjack** pencils, and contestants being dropped along with the cabbages!

In this updated paperback edition, Alan Stafford traces the hilarious history of **Crackerjack**, recalling the best of the onscreen fun while revealing loads of backstage secrets. This **Crackerjack** celebration is packed with anecdotes from cast and crew – including Michael Aspel, Don Maclean, Jan Hunt, Bernie Clifton, The Krankies, Stu Francis, Sam Nixon and Mark Rhodes.

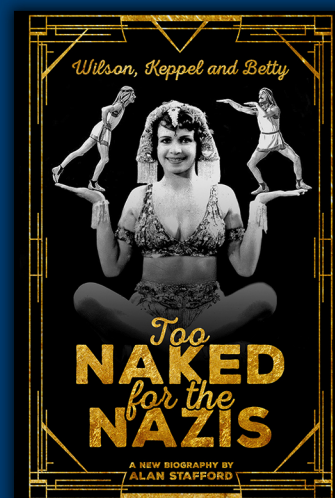

Paperback / £12

Michael Seely will also be signing copies of his **Douglas Camfield** Biography. But hurry! Copies of this special edition are now limited!

Hardback / £20

Michael's biography of Kit Pedler entitled **Cyberman: The Quest for Pedler** will be re-released in matching limited edition hardback with cover art from Connor Adkins later in the year.

They sound like a firm of solicitors and look like a bunch of Tutankhamen's hieroglyphs that suddenly fancied a boogie. To many they are the epitome of the bizarre speciality act during the golden era of British variety. But what do we know about the Englishman and Irishman who clog-danced round America, returned home with two fezzes and a Cleopatra from Kansas, and proceeded to walk like three Egyptians? Precious little. Until now.
