INCLUSIVITY AND SAFETY POLICY

At Fantom we are pleased that the events we provide are a safe space for all those who attend, whether they are attendees, crew or guests. The great thing about a show like Doctor Who is that we can come together through a mutual love, regardless of race, sexuality, gender, disability and have a common platform through which to communicate and enjoy each other's company. We present very relaxed and enjoyable events where everyone's safety physically and/or mentally is paramount. The crew are friendly and approachable (and a mixture of genders and ages); and should anyone be feeling uncomfortable or have an issue to raise then there is no barrier in coming to talk to us and the

appropriate action will be taken. You can read our safety and inclusivity policy and code of conduct on our website.

All the information contained within this pack is subject to change.

The schedule is subject to change, please listen for announcements and check the notice board at the information desk.
